

Concord VRU Voice Response Unit

Quick Reference Guide

To utilize our Automated Voice Approval System dial
1-888-800-9244 and follow the instructions below.

VOICE AUTHORIZATION PROCEDURES

When a card cannot be swiped, manually entered, or you receive a Reference Code 5, a voice authorization is necessary.	
1.	Imprint the card; write the current date and total dollar amount of the purchase on a manual receipt.
2.	Call Concord EFS Voice Response Unit for approval. Be sure to have the invoice number, Concord EFS merchant ID, and card information ready.
3.	Write the given approval number on the receipt. Have the customer sign the invoice. The sale is captured by Concord EFS.
<i>Voice Authorizations through banks other than EFS must be phoned in to EFS Authorizations Department at 1-800-238-7675.</i>	

When you contact the Concord VRU you will hear an automated operator: "To speak to a representative at anytime during this call, press 0, followed by the # sign. For validation of your account information, the VRU requires the use of an Access code, which is the last four digits of your business phone number. **For Authorization Services, press 1. For Settlement Services press 2.**"

AUTHORIZATION SERVICES

For a Sale Transaction, press 1.

CREDIT CARD SALE

AVS Approval Code Responses

When utilizing Address Verification on your transaction, you will receive a letter at the beginning and the end of the 6-digit Authorization number, describing the authenticity of the Zip Code and Address that was entered. The following is a table that explains what each letter means. Note that there are different meanings for Visa and Mastercard. (American Express and Discover do not validate address information.) If you have any questions, please feel free to contact our Customer Service Department.

Visa	Mastercard
A = Address matches, Zip Code does not. E = Error. Ineligible transaction or content error. N = Neither address nor Zip Code matches. R = Retry. System unavailable or timed out. S = Not applicable. U = Address information unavailable. W = Not applicable. X = Not applicable. Y = Address and Zip Code match. Z = Zip Code matches, address does not.	X = All digits match, nine-digit Zip Code was used. Y = All digits match, five-digit Zip Code was used. A = Address matches, postal/Zip Code does not. W = Nine-digit Zip Code matches, address does not. Z = Five-digit Zip Code matches, address does not. N = Nothing matches. U = No data from issuer/Authorization System. R = Retry, system unable to process. S = AVS not supported at this time.
